

## FPA Office Opening at Raffles Place

FPA hosted the opening of our new office on 12 March 2008 with an evening of good food and fine art. Paintings by Vietnamese artists were on display from the Dong Phong Art Gallery from Hanoi, Vietnam. Big thanks to all those who shared in our celebrations! With your support, the event was a great success. A total of 11 nice paintings were snapped up by value hunters in the Vietnamese art space. The event also helped to raise some funds for the Tsao Foundation to aid the elderly.
