

Queen Elizabeth II Cup

On Sunday, 20 April 2008, FPA participated in the Queen Elizabeth II Cup, jointly organized by the Singapore Turf Club and the Tsao Foundation in aid of Hua Mei Clinical Services. The Tsao Foundation is a not-for-profit organization dedicated to enhancing the quality of life for older people by alleviating the hardships of ageing through its community health services; promoting successful ageing; and pioneering new approaches to ageing and eldercare throughout Singapore and the region. As part of FPA's continuing efforts in the community, we sponsored Race Number 5, the FPA Financial Prosperity Trophy. The winner of the race was horse number 6.
