On Sunday, 19 April 2009, FPA involved ourselves in the Queen Elizabeth II Cup at the Singapore Turf Club. This is the 2nd year running that FPA has joined in the cause for enhancing the quality of life for older people. A total of S\$250,000 was raised for the Hua Mei Mobile Clinic at the luncheon attended by the guest of honour - Community Development, Youth and Sports Minister, Dr Vivian Balakrishnan, and his wife. This was matched dollar-for-dollar by the Tsao Foundation, bringing the total amount raised to S\$500,000.
