

## Singapore Cancer Society 2011 Race Against Cancer

In line with our efforts in contributing to the community, FPA have participated in the annual charity run by Singtel & Singapore Cancer Society. The Race Against Cancer fundraising event was held on 10 July 2011 at Angsana Green, East Coast Park.

The event raised more than \$600,000, of which \$200,000 was donated by title sponsor SingTel. The funds raised will help the Society pay for the various financial assistance programmes, screening and awareness / public education to fight cancer and to bring hope to cancer patients and survivors.

Staff and friends gather before the race

With the Chairman of Singapore Cancer Society,  
Mr Choo Eng Chuan
